

growing your healthcare business together

Medical Practices Team

Philip Handley FCA Director - Healthcare

Philip leads the Medical Practices Team at HSKS Greenhalgh, having over 20 years' experience in acting for GP and healthcare clients.

He qualified as a Chartered Accountant in 1990, joining a national firm soon after, where he managed a significant number of medical and dental practice clients. Philip joined HSKS Greenhalgh's predecessor firm in 1994.

As well as overseeing the accounting and taxation work undertaken by the firm, Philip also assists GP practices with financial forecasting, entry and exit planning, partnership agreements and business plans, working closely with other sector specialist professionals, especially banks and lawyers, as necessary.

Philip is a Director/Trustee of Radford Care Group, a charity providing day care services for the elderly.

Jean Kelly Manager - Healthcare

Jean has been involved in accounting matters for GPs and other healthcare professionals for over 20 years.

She has lectured on accounting topics via GP Forum, local Vocational Training Schemes and other local LMC/education schemes and has contributed articles to GP & Pulse magazine.

Jean's experience has allowed her to develop considerable knowledge of the GP profession and the challenges it faces and is responsible for training our team in order to pass on that knowledge. Over the years she has also provided accounts training to Practice Managers and their colleagues.

She now hosts and facilitates our Practice Manager Forum meetings

As manager of the Medical Practices Team, Jean is involved in all aspects of the services delivered by the team.

Des Pearson ATT Manager - Taxation Services

Des is a manager in the Taxation Services team at HSKS Greenhalgh. He has worked in personal tax for over 20 years.

He spent 10 years working for HM Revenue & Customs before moving to work in public practice. Des qualified as a member of the Association of Taxation Technicians in 2004 and has had experience of a wide range of clients including the self-employed, partnerships and partners.

As well as ensuring that both the practice and partners meet their usual tax deadlines, Des' role in the Medical Practices Team is to ensure that all partnership tax reliefs and allowances are claimed so as to minimise the tax payable by individual partners.
